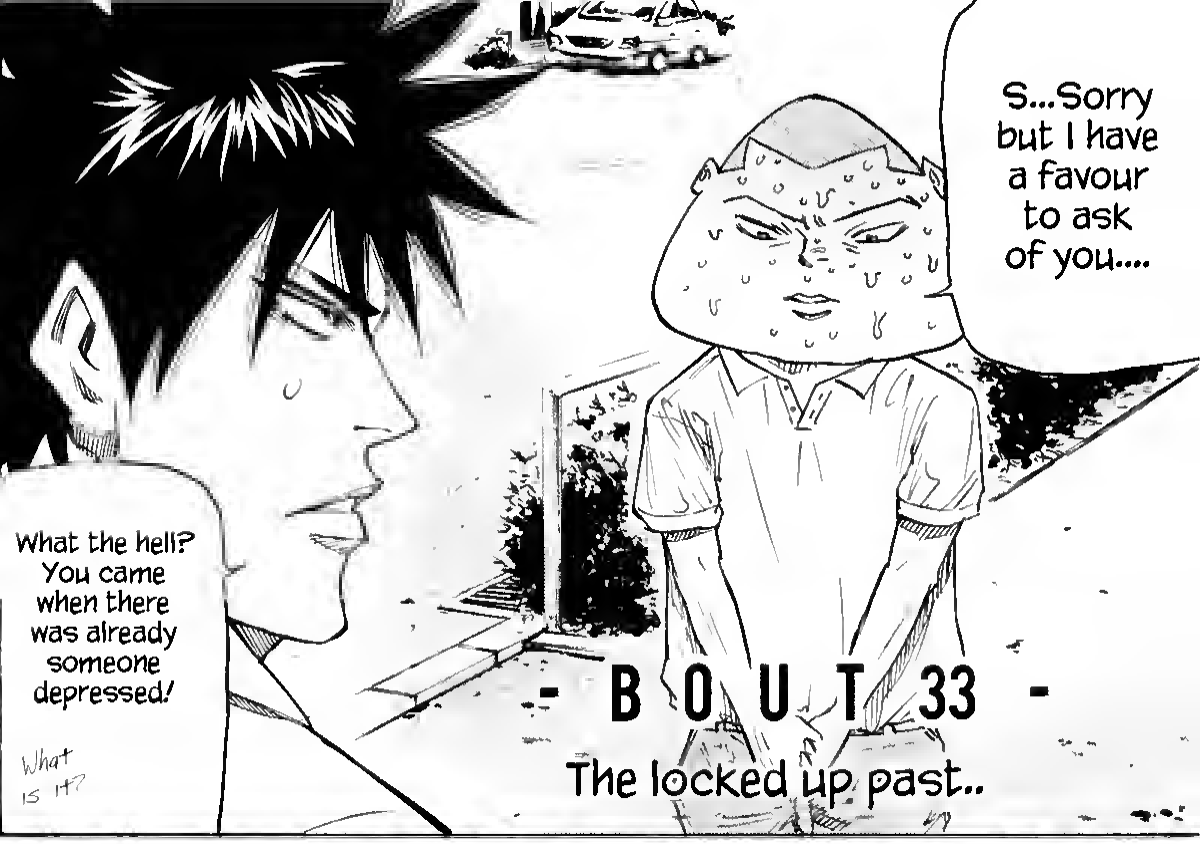
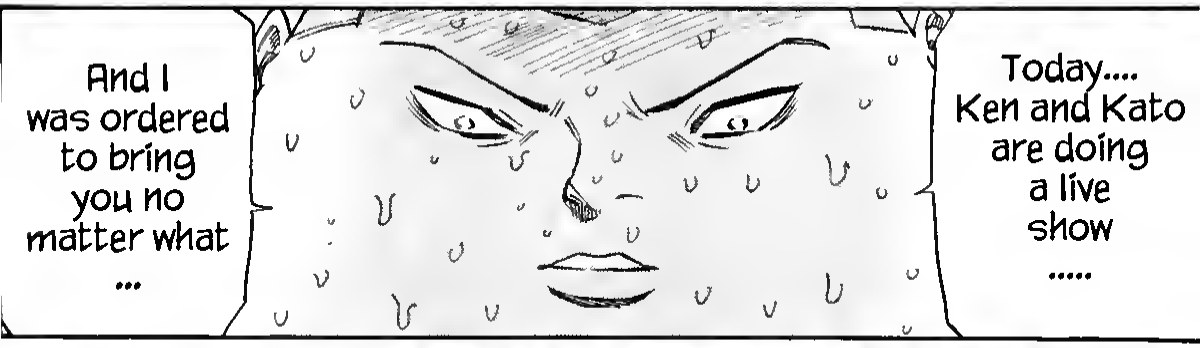
Eh?
By the way Nose-holes ....
Are you holding on to a dream?
Hm.. A man's got to have 1 or 2 dreams.... No, 3 dreams!
Did you really recieve such a big influence from Kato and Ken?
Yesterday when I saw Kato and Ken I said to them "You probably won't be able to fulfil that dream of yours" They asked me if I was holding on to a big dream
Even though your talking like you're praising them your really not at all....
A... ASAGIRI!!
Hm?
Wanna go out for a drink?
Why are you so depressed?
Are you supposed to by my senior?
Was it something like If you've gotten hurt from having a dream destroyed... Maybe it was better to never have found a dream in the first place?
And so what was the result?
!?



S...Sorry but I have a favour to ask of you....
What the hell? You came when there was already someone depressed!
What is it?
- B O U T 33 -
The locked up past..



And I was ordered to bring you no matter what ...
Today.... Ken and Kato are doing a live show .....

?
L..Let go of me!!
What's the matter? We were personally invited by Kato and Ken!!
Alright! Let's go Noseholes!
N.No... It's best that I don't a music venue....
That does sound interesting!
REALLY!? Thank god! I won't be killed for not bringing you...!

L.. Let me go!!
M.. Me too!?
Let's get going every-one!!
Eh?
Oi! Your coming as well Onigiri!!
So is it alright if we walk in?
I have no idea
Ugh... You brought us all here...
What the! The live show is only Kato and Ken!?
Well... If they said it was a normal live show there would be a lot of different groups gathered to perform...

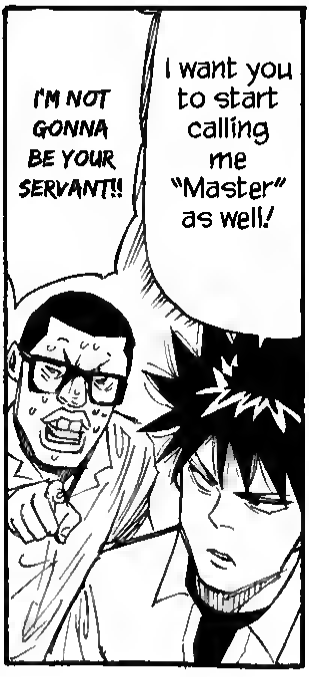
MENU
Uwa! You surprised me!!
What are you!?
Nice to meet you! I'm Tashiro! I was told to guide Asagiri to the master
Excuse me... Would you be Asagiri by any chance?

At the highschool entrance ceremony He cracked my skull with a pipe while I was sitting down
I wasn't done in with a single blow and so I gathered up all of my respect and called him "Master"
Master?
Mr. Shimura !!

They're quite amazing after all!
Huh? As I thought... You don't wanna make those two angry

W.. What is it?
じっ。。。

Man, I don't know why but you've got a bad smell coming from you! Whats the deal with that!!
?



I'M NOT GONNA BE YOUR SERVANT!!
I want you to start calling me "Master" as well!

But you sure look like the average example of a servant
Please! Your embara-sing me!

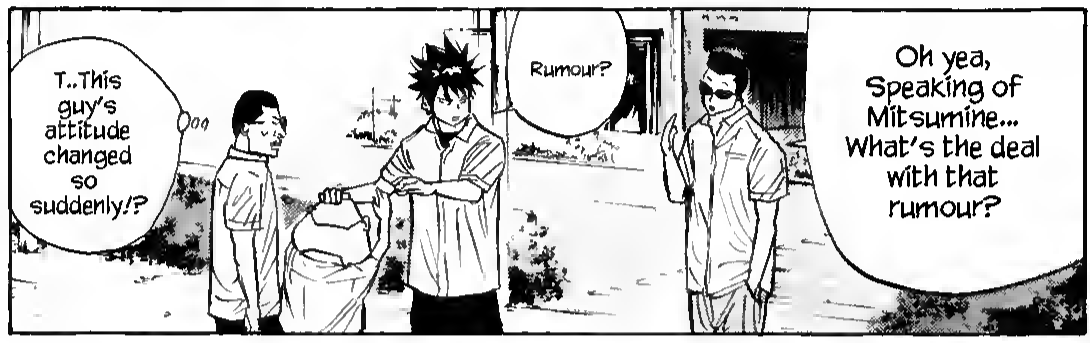
C...Calm down Asagiri! Please go buy your own phone!!
Alright, Onigiri send me your phone so I can play games to pass the time again alright?
ホレ
Hmm .....
Rehearsal? What's that? Is it like the drug "Speed" or something?
What the hell are you saying Asagiri?
The convo is so weird
Well... Anyways Right now the masters are in the middle of rehearsals so you can't go in there. Please just wait out here

Rehearsal: リハ中 Speed: シャブ中

Misumi = Triangle

Because I heard about this Asagiri guy from Mitsumine I really wondered how scary he would be but .....
Please stop talking about how my head looks like a triangle!
N...Not only is your face a triangle but your name is too!?
Is your name really written with the kanji for Triangle?
Y... Yeah?

When I mention the name "Mitsumine" they'll lose all their nerves!!
These guys aren't anything big .....
They're just simply snarling their teeth
Misumi is always haning around with a bunch of losers and weaksling so these guys should be no different



T..This guy's attitude changed so suddenly!?
Rumour?
Oh yea, Speaking of Mitsumine... What's the deal with that rumour?

W...Well Let me think about it
You don't have to answer that seriously.. I just wanted to judge your reaction
What kind of monster is he?

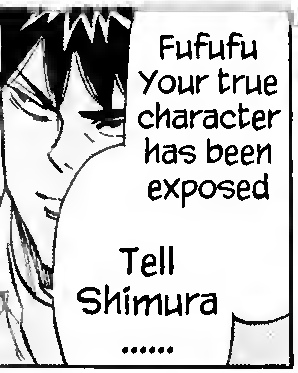
Haha! What do you mean due to injuries!
Well, I wouldn't say it was a victory, more of a tie due to injuries

!
That the "Undead" Tougou was knocked out in one punch by a first year .....

Starting off with the man that's been said that he took down the second year Nimiya
"The golden pitbull" Masaki Chiharu
There was the rumour that an amazing group of first years was being formed in Mitsumine but .....
I would have never thought it would be that great
"The road to manliness" Daimonji YuJirou
"The Devil's High Kick" Sunahara Ryusuke
"The Skill Department" Seshita Something
I forgot the rest
STOP JOKING AROUND!
Ah...uh... I forgot his name
And then theres that one man that's been the talk of the town .....

His nickname is .....
"The Fighting Brittney"
.....
IS THERE NO NICKNAME!? SOMETHING LIKE A NICKNAME SHOULD BE EASY TO REMEMBER!!
Ah... I just remembered it!!
WHAT IS IT !?
W...WHAT THE HELL DOES THAT MEAN!?
I mean... I like it but .....
I... I have no idea what it means!!
I like it as well but
T...This is something anybody knows about
I know quite a bit about people in the industry and those outside it
Ha...Ha... But why the hell do you know that much about us!?
T...THAT'S JUST PLAGIARISM! WHAT ELSE!!
Ah, I remember" "The 21st Century's Explosion" or something ..
ISN'T THERE MORE !?
Uh.... "The fighting principal" was it?
T...That's way too normal!! What else!?
It's pretty scary ..... "The fighting Knight"?
T..That's not good enough!

Oh!! Asagiri you really came!
Thanks a lot buddy !!!



Fufufu Your true character has been exposed
Tell Shimura .....

Tashiro, We're you being impolite to these guys?
Eh?

Oh! The heart of a friend!
Oh! Katou and Shimura! Of course I came to support you guys!
GREAT WORK TODAY !!!!!

This guy is .....
Answer me!!

Nice to meet you
Thanks for your hard work
The guy who wrote our lyrics
You do know of the story that a first year took down Tougou at Mitsumine right?
That man is ....
T... THAT'S NOT IT!
Oh Yeah ....

The 21st Cent-ury's .....
UWAH !!!!
Hmm .....
Yeah... The people that were around us at rehearsals were idiots .....
This is different from fights ..... There's a lot more stress
A lot of people are showing up
The show is about to start so more people are coming
Gyahaha! OI!! LOOK AT THIS MAN !!!!
HM?
We're the top batters so we'll be going on ahead!!
See you in a bit!!

I would have never thought I would be meeting a member of "Harakiri" !!
HIS HAIR IS DIFFERENT SO I DIDN'T NOTICE!
Glory to you !!!

Uh... Wait a sec ....
Hm !?
As an apology we'll write the "Feeling good" band's name on all of the surveys after the show!!
WE DIDN'T KNOW YOU WERE ANAGO'S BROTHER !!!
EH!? YOU MEAN YOU DON'T KNOW ABOUT HIM!?
Aren't you mistaking him for someone else?
Him? Really ?
Th ....
THIS IS TOTALLY HIM!!
Look!! I have a picture of him from a year ago!
You probably mixed up his face with ...
People's face's change in a year though
!!
UWAH !!!

They topped the genre and gathered so much respect .....
This year the head of the band broke it up!
"Harakiri" brought a new meaning to the word "Charisma" on stage !!
Well I'm just surprised that someone doesn't know who he is
Char-isma .....
The local ....
DAMMIT! THIS IS WHY I DIDN'T WANT TO COME TO THE LIVE HOUSE!
Onigiri! Can you get a hold of that pic!?
I'll figure out a way!
A..Asagiri this is so good it's killing my gut!!
YOU DID THE WORST GENRE OF MUSIC OUT THERE!!
GYAHAHAH! WHY WERE YOU SUCH A PRETTY BOY!? WHY A PRETTY BOY!?
WHY DID I GET EXPOSED !?
Asagiri ..... That's mean .... Pupupu

.....
.....
Why? Do you hate it that much?
Did it work?
Let's use infared
Yeah! It worked
I'm begging you Asagiri! Don't tell the other guys!!
Wah!
!!
This was it right?
I see... That broken dream you were talking about earlier .....
A... Asa-giri
So that's why you really didn't want to come here
I'm sorry I didn't notice it earlier ...

T.. There's no one here
Y.. Yeah ....
How about a bowl of ramen to keep me quiet?
Right away!
I really need to stop treating him so badly!
